

## **Brokenness**

(Words & Music by Juniper Worship)

In my brokenness  
I can find my rest in You  
In my brokenness  
I can find my rest in You

I feel Your love  
You lift me up  
And replace my pain with Peace

You heal my soul  
I am restored  
And I praise you Lord  
I am whole

In my brokenness  
I can find my rest in You  
In my brokenness  
I can find my rest in You

I feel Your love  
You lift me up  
And replace my pain with Peace

You heal my soul  
I am restored  
And I praise you Lord  
I am whole

In my brokenness  
I can find my rest in You  
In my brokenness  
I can find my rest in You
