

Burn

(Words & Music by Juniper Worship)

I come I'm empty
But You are whole
I'm so unworthy
But You are more

I bring my worship
I sing my praise
For You are holy
And you have grace

You live in me
So I am free
You live in me
So I am free

We sing this song
This song for You
Our hearts will burn
They burn for You, burn for You

I kneel before You
I hear You call
Your Spirit moves me
You have my all

I bring my worship
I sing my praise
For You are holy
And you have grace

We sing this song
This song for You
Our hearts will burn
They burn for You, burn for You

My heart will sing
I burn for You
My heart my all
I give to You

My heart will sing
I burn for You
My heart my all
I give to You

We sing this song
This song for You
Our hearts will burn
They burn for You, burn for You
